# Report of School Board

The two schools have been in session 31 weeks each.

The school at East Hebron was taught the entire year by Mrs. Lola G. Cooledge.

The spring term at the village was taught by Miss Harriet Wheet of Alexandria and the fall and winter terms by Miss Abby Smith of Plymouth.

We would again call the attention of parents to the fact that the regular attendance of the pupils affects the aid received from the state. The amount received this year on our average attendance was $22.50.

In accordance with the school law we would ask the selectmen to make the following assessments for the coming year.

| | |
|---|---|
| Money for high school tuitions | $400 00 |
| Money for text books and scholars' supplies | 60 00 |
